

Privacy Policy

This Privacy Policy explains how the website JackPool.org ("Website", "Mining Pools", "we", "us" or "our") collects, uses and protects users' ("miner", "you" or "your") information. By using JackPool.org or interacting with us as described below, you confirm that you are aware of this Privacy Policy and you consent to our using the information provided in accordance with this policy.

This policy applies to information we collect when you access or use our services: website, mining pools and API endpoints (collectively, "JackPool.org").

Information We Collect

We collect only Non-Personally Identifiable Information (Non-PII). Non-PII is information that does not by itself identify a specific individual. We get some information about you when you interact with JackPool.org services. This includes:

Log Files: Like many websites, we use log files. These files log visitors when they visit websites. The information collected by log files includes internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks. These are not linked to any information that is personally identifiable. The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information.

Cryptocurrency Addresses: We collect your cryptocurrency wallet addresses. This is necessary to track your mining activity, calculate your hashrate, attribute found blocks to you, and send payments.

Usage Data: We may collect request URLs, access times, and information about your interactions with our services to generate miner statistics on mining pools and ensure the correct functioning of our platform.

Cookies

JackPool.org uses "cookies". Cookies are small text files that websites place on your device as you are browsing. They are processed and stored by your web browser. In and of themselves, cookies are harmless and serve crucial functions for websites. Cookies can also generally be easily viewed and deleted.

Our website uses both session and persistent cookies. These cookies are used to store information including visitors' preferences, and the pages on the website that the visitor accessed or visited. The information is used to optimize the users' experience by customizing our web page content based on visitors' browser type and/or other information.

Cookies are stored and processed only on your computer or mobile device and do not include your personal information. You are free to decline most of our cookies if your browser or browser add-on permits, but choosing to remove or disable our cookies may interfere with your use and functionality of our website.

Note that JackPool.org has no access to or control over cookies that are used by third-party services or advertisers that may appear on our site.

How We Use Your Information

We use your data to operate effectively and provide the best experience with our services. Specifically, we use the information we collect to:

- Provide, operate, and maintain our mining pools and website.
- Generate accurate miner statistics (like hashrate charts and earnings).
- Calculate rewards and send cryptocurrency payments from the pool to your wallet address.
- Improve, personalize, and expand our services.
- Understand and analyze how you use our services to develop new products, services, and features.
- Monitor and prevent technical or fraudulent issues.

This information is not shared with third parties and does not indicate your identity with public anonymous data on our services.

Third Party Privacy Policies

JackPool.org's Privacy Policy does not apply to other advertisers or websites. Thus, we are advising you to consult the respective Privacy Policies of these third-party ad servers for more detailed information. It may include their practices and instructions about how to opt-out of certain options.

You can choose to disable cookies through your individual browser options. To know more detailed information about cookie management with specific web browsers, it can be found at the browsers' respective websites.

Data Security

The security of your data is important to us. We implement reasonable security practices and procedures to help protect the confidentiality and security of your information. However, remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your personal information, we cannot guarantee its absolute security.

Online Privacy Policy Only

This Privacy Policy applies only to our online activities and is valid for visitors to our website with regards to the information that they shared and/or collect in JackPool.org. This policy is not applicable to any information collected offline or via channels other than this website.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. You are advised to review this Privacy Policy periodically for any changes.
